

## T Bag

**This luggage item is NOT suitable for use with a Brompton S-type model.**

It is **DANGEROUS** to use it on an **S-type**, as it interferes with the steering.

### Stowing the shoulder strap

The T Bag comes with a clip on shoulder strap. This should be unclipped and stored inside the bag when fitted to the bike so there is no risk of loose material snagging.

**For safe use it is essential that the strap is removed when the bag is fitted to the bike.**
